ENGLISH PROFICIENCY

We do not have special classes for English language learners; therefore, students must score a minimum of 50% in a recent SLEP or TOEFL exam to be able to handle the academic demand of our college-preparatory program.

All students will be administered diagnostic placement testing as soon as they arrive at school. This testing determines course assignments and, if a student scores lower than average (50%) on Reading Comprehension, they will be required to take ESL for an additional fee. ESL will provide the academic support to be successful and earn more credits towards graduation.
